

Ram Run 2019

NEW LIFE
CHRISTIAN SCHOOL

Dear Family & Friends,

On Thursday, October 24th, I will participate in our school's RAM Run. I would very much appreciate your sponsorship. The RAM Run is an age-specific tailored obstacle course run on the campus of New Life Christian School. Students in the lower grades may leap over low horse jumps, crawl through tunnels and climb a hay bale pyramid. Our older students may navigate a tire obstacle course and climbing wall. Our high school participants perform the ultimate 5K run, which adds a pond swim and army crawl mud pit! Students compete either individually or as teams of five boys or girls. Usually, the United Steam Fire Company is available to hose down students when they complete the course. It is a lot of fun!

For the 2019-2020 school year, our purpose is to raise \$30,000 to be used for transportation needs for our students during the school day and for extra-curricular activities. Thank you for your tax deductible donation! You may donate by clicking the "Donate Now" button on our website, following the link on Facebook, making a donation on campus at our school office or sending a check made out to NLCS. Gifts of all levels are appreciated and tax deductible. If you have any questions regarding making a donation, please email Tammy Robinson (trobinson@newlifecs.org) in the finance office. Additionally, because of your help, I may be able to earn special awards too!

My personal goal is to raise at least \$300.

Donations for this tax year will be accepted through December 15th, 2019. Donors can also double or triple their gift to make an even greater impact on NLCS by contacting their company's charity matching gift administrator. Please send your company's corporate matching form with your gift to NLCS.

Thank you and God bless,

Your gift is tax-deductible!
