

High School Math and Science Teacher Job Description

New Life Christian School is looking for a high school math and science teacher for the 2022-2023 school year. The math and science teacher will have experience and be comfortable teaching a variety of math and science courses at the high school level. It is expected that the teacher will:

Spiritual Qualities

- Acknowledge Christ as Savior and seek to live life as His disciple.
- Believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God - our standard for faith and practice.
- Believe and actively support the school's statement of faith.
- Actively participate in a local Bible-believing church.
- Be a Christian role model in attitude, speech, and actions towards others.
- Actively participate in a local Bible-believing church.
- Motivate students to accept God's gift of salvation and be a Christian witness and role model to them to help them grow in their faith.

Professional Qualities

- Hold a bachelor's degree in education or from an accredited post-secondary institution.
- Hold an ACSI certificate or willing to participate in a program to complete the requirements for certification in a specified time period.
- Demonstrate technology skills in Microsoft Office and Google Suite.
- Possess prior school leadership/administrative experience including strong organizational and management skills.

Educational Qualities

- Teach classes as assigned following the prescribed scope and sequence as scheduled by the administration.
- Provide an effective classroom management system.
- Regularly assess the learning of students and provide progress reports as required.
- Maintain regular and accurate records to meet the demands for a comprehensive knowledge of each student's progress.
- Have a thorough knowledge and understanding of the Christian philosophy of education that will help in providing leadership and guidance in the school's development of and commitment to a Christian worldview.

In order to be considered for a position, we require a completed application form, which can be found on our website: <https://www.newlifecs.org/about/employment-opportunities/>
