Middle school is a unique opportunity to develop spiritually, physically, academically, and emotionally. Our Christ-centered curriculum, educated and experienced teachers, and rigorous academic expectations prepare students for high school and beyond while nurturing their minds and hearts as they begin taking on more responsibility.

I love this school because they don't just care about the education of the child, they care for the *soul* of the child. Now that is lasting.

Harold K., New Life Parent

At New Life Christian School, our mission is to develop Christian world-changers who are rooted in faith, committed to service, and dedicated to academic excellence.
